I, HARRY R. ERICSON, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, or under my supervision and direction on the 13th day of April 1987; that it truly and correctly represents the proposed location and extent of the place of use of water heretofore applied for under Application No. 50132 from an underground source for mining and ore processing purposes; that the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the locations and names of all other works which cross or connect with the proposed works, and the boundary of all lands showing by 40-acre subdivisions, and the areas proposed to be served, are fully and correctly designated hereon.

HARRY R. ERICSON
STATE WATER RIGHT SURVEYOR NO. 332

Subscribed and sworn to before me on this 14th day of April, 1987.
