COUNTY OF ELKO } ss.

I, William A. Nisbet, being first duly sworn, depose and say that this map, consisting of one sheet, has been drawn to the designated scale from a survey, made under my supervision and direction, completed on the 14th of July, 1987; that it truly and correctly represents the proposed location and extent of the works used to divert water from UNDERGROUND SOURCES in ELKO COUNTY by LOYD SORENSEN for STOCKWATER & DOMESTIC PURPOSES. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place of use, and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.
