

AREA OF USE ~ 80 ACRES

I, Robert C. Downer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on Dec. 2, 1987; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Douglas County by Seniors Mobilhome Village, Inc., for a public water system. That the proposed point of diversion and the boundary of the land areas proposed to be served are fully and correctly designated thereon.
