I, James A. Rankin, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from the field notes of a survey made by me on the 20th day of November, 1987, and that it truly represents the locations of the present point of diversion and place of use of water from underground source by Julian Smith under Certificate No. 6878, and the proposed place of use and point of diversion of water from underground source for irrigation in Lyon County by John and Edith Beam.
