I, George H. Denson, being first duly sworn, do depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 20th day of May, 1988; that it truly and correctly represents the proposed location and extent of works used to divert water from a surface source in Esmeralda County by Ag.-Au. Incorporated for mining, milling and domestic purposes.
