COUNTY OF WASHOE

I, William J. Newman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from a survey made by Ernest E. Muller, Sr. on February 24, 1973 in support of Application 25150 and a Record of Survey 1431 Washoe County Records, document no. 842343; that it truly and correctly represents the proposed location and extent of the works used to divert water from BELL SPRING, in Washoe County, Nevada, by VANCE N. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works, the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.
