

STATE OF NEVADA SS:
 COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 12th day of October, 1980; that it truly and correctly represents the proposed location and extent of the works used to divert water from Cavanaugh Spring and spring area in Pershing County by Edward and Pearl Speir for mining, milling and domestic purposes. That the proposed points of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands showing areas proposed for use, are fully and correctly designated hereon.

Ernest E. Muller, Sr.
 State Water Right Surveyor No. 702

Subscribed and sworn to before me this 24th day of February, 1989.
