

STATE OF NEVADA ss.
COUNTY OF ELKO

I, William A. Nisbet, being duly sworn, depose and say that this map, consisting of one sheet, has been drawn to the designated scale from a survey, made under my supervision and direction, completed on the 13th day of March, 1989; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Clark County by the City of Mesquite for municipal purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.
