I, ELMER J. PLUMMER being first duly sworn, depose and say that this map consisting of (1) sheet, has been correctly drawn to the designated scale from field notes of a survey made by me, on 7th day of July, 1989, that it truly and correctly represents the proposed location and extent of the works used to divert water from STEAMBOAT DITCH in WASHOE COUNTY for irrigation purposes. That the proposed point of diversion, the approximate location and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated hereon.
