

STATE OF NEVADA SS
COUNTY OF WASHOE

I, William J. Newman, being first duly sworn, depose and say that this map, consisting of two sheets, has been correctly drawn to the designated scale on the basis of maps prepared for the Truckee River adjudication and from the supporting maps to Permit 12338, Certificate 3649 and Washoe Assessors plat 43-06 to change the point of diversion and place of use of a portion of Permit 12338, Certificate 3649; that it truly and correctly represents the location and extent of the works used to divert water from the Truckee River via the Last Chance Ditch by Wm. Ben Scott and Sandra M. Scott for irrigation, domestic and stock purposes. That the boundary of all lands showing by 40-Acre subdivisions the area proposed to be served, are fully and correctly designated thereon.
