I, C. STEVE DEAL, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 23rd day of June, 1989; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground in Lincoln County by RUSSELL and KAREN LANGE, for Irrigation and Domestic purposes. That the point of diversion, the approximate location and size of the diverting channel or other conduits, the place and manner of use, and the location and name of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.
