I, D. Henry Reed, being first duly sworn, depose and say that this map, consisting of one sheet numbered from 1 to 1, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me on September 8, 1990 or under the supervision of Walter Edgar Schainat, Jr., Nevada L.S. # 8003 on February 24, 1990; that it truly and correctly represents the proposed location and extent of the place of use, and the point to be used for diversion of water from an underground source in Lander County, Nevada by the Nevada-Sierra District of the United Methodist Church (Reno, Nevada) for recreation and domestic purposes. That the proposed point of diversion, the proposed place of use, the location of the well site and of all other works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated hereon.
