I, Richard W. Forman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 6th day of April, 1990; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground sources in White Pine County, by USMX, Inc. for mining, milling and domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, are fully and correctly designated thereon.

Richard W. Forman
State Water Right Surveyor

Subscribed and sworn to before me this 30th day of November, 1990.
