

SECTION 30, TOWNSHIP 21 NORTH, RANGE 19 EAST, M.D.M.

I, George G. Lindesmith, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from notes of a survey made by me, and record information, on May 5, 1991; and that it truly and correctly represents the proposed location and extent of works used to divert water from underground sources within Washoe County, Nevada, by Dermody Properties, to treat for dissolved chemical solvents. The approximate location of the proposed works, and the boundary of all lands, showing by 40 acre subdivisions the area of proposed use, are fully and correctly shown hereon.
