I, Richard J. Baughman, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 24th day of March, 1988, that it truly represents the location and extent of the work used to divert water from underground source in the Meadow Valley Wash Clark County, Nevada by Charles Wayne Cole for irrigation and domestic purposes under application N° 56551 that the point of diversion, the location, size, and grades of the diverting channel, location and description of all measuring devices, the location and extent of lands owned or controlled by the applicant upon which water applied for under application N° 56551 is used together with the area and kind of culture in each 40 acre subdivision and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
