

SURVEYOR'S STATEMENT

STATE OF NEVADA
 COUNTY OF LINCOLN ss

I, Frank C. Hulse, being fully sworn, dispose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 22nd day of April 1991 and truly represents the location of the current and proposed Points of Diversion, and the current and proposed Places of Use under Application 48168 from an underground source for irrigation. Proposed place of use within 40 acres subdivision is shown within heavy dashed lines ————. Existing place of use is shown by broken lines ————.
