I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision on the 3rd day of February, 1992, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Washoe County by SOUTHERN PACIFIC LAND COMPANY to change the point of diversion of Permit No. 46910 for MINING, MILLING and DOMESTIC purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, and the location and names of all other works or streams which are crossed by or connected with said works are fully and correctly designated thereon.
