I, JOHN H. MILTON III, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision and direction, between the 13th day of March, and the 16th day of March, 1992; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground in Humboldt County, by Valmy Mountain Vistas, Inc., for quasi-municipal purposes, under Application Number 31031 Cert. 10923 and Permit Number 46715. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.
