

STATE OF NEVADA } ss.  
 County of White Pine }

I, Dean G. Neubaer, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction on the 25th day of September, 1992; that it truly and correctly represents the proposed location and extent of the works used to divert water from Egan Creek, in White Pine County, by David A. Carter for MILLING purposes. That the proposed point of diversion, the location of the mill, the approximate size and capacity of the diverting channel or other conduit, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated hereon.
