

STATE OF NEVADA SS:
 COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, composed of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 12th day of September, 1992; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Pershing County by Garrett Van Diest, Inc. for Quasi Municipal Purposes. That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed for use, are fully and correctly designated thereon.

Subscribed and sworn to before me this 14th day of October, 1992.
