

STATE OF NEVADA SS:
 COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 25 th. day of November, 1992, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Pershing County by HALLIE C. That the proposed point of diversion, the approximate size and capacity of the diverting conduit, and the location of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

Subscribed and sworn to before me on this 1st day of December, 1992.
