STATE OF NEVADA
COUNTY OF HUMBOLDT

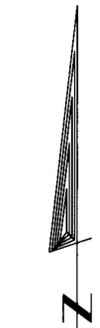

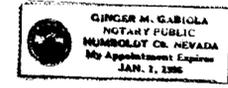

I, JOHN H. MILTON III, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision and direction, between the 6th day of October, and the 7th day of October, 1992; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Lander County by James A. & Ronnie H. Edgmon for irrigation purposes, under Application No. 21827 Certificate 7100 and Application No. 21828 Certificate 7101. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works which are crossed by, or connected with the said works, are fully and correctly designated thereon.
