STATE OF NEVADA  
COUNTY OF HUMBOLDT

I, ROBERT N. CALDWELL, being first duly sworn,  
depose and say that this map, consisting of one  
sheet, has been correctly drawn to the designated  
scale from field notes of a survey made by me or  
under my supervision and direction, between the  
17th day of November, and the 18th day of  
November, 1992; that it truly and correctly  
represents the proposed location and extent of the  
works used to divert water from an underground  
source in Pershing County by the Peggy J. Rose  
Revocable Living Trust for irrigation and  
domestic purposes. That the proposed point of  
diversion, the approximate location and size of  
the diverting channel, all reservoirs or basins,  
the location and names of all other works will  
cross or connect with the proposed works, showing  
by 40-acre subdivisions the areas proposed to be  
irrigated, are fully and correctly designated  
thereon.
