State of Nevada
County of Humboldt

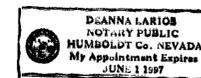

I, D. Henry Reed, being first duly sworn, depose and say that this map, consisting of one sheet numbered from 1 to 1, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me, or under my supervision and direction, between the second day of December and the fifth day of December 1993; that it truly and correctly represents the proposed location and extent of the place of use and the point of diversion of water heretofore appropriate under permit number 49502 and application to change point of diversion number 59514 from an underground source in Humboldt County, Nevada by Pinson Mining Company for mining, milling and domestic purposes.

That the proposed point of diversion, the existing point of diversion, the existing place of use, the approximate size of pipelines, the location and names of all others works, and the boundary of all the lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated hereon.

D. Henry Reed
D. Henry Reed State Water Right Surveyor No. 804

Subscribed and sworn to before me on this 18TH day of JANUARY, 1994.
