

STATE OF NEVADA
COUNTY OF HUMBOLDT

I, JOHN H. MILTON III, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision and direction, between the 26th day of October and the 28th day of October, 1993; that it truly and correctly represents the proposed location and extent of the works used to divert water from an unnamed spring in Pershing County, by Vernon David Gran and Delores A. Cates for domestic purposes. That the proposed point diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

Subscribed and sworn to before me this 29th day of October, 1993.
