Cement Trough at New Spring
Scale 1 inch = 4 ft.

Cement Trough at Abe's Spring
Scale 1 inch = 4 ft.

State of Utah }
County of Washington } ss.

I, W.W. Cannon, being first duly sworn, depose and say that the above map is a true and accurate plat of the stock watering works near Tooley Knoll, State of Nevada, as taken from the field notes of a survey made by me and completed on the 11th day of April, 1921; that said survey was made at the instance of George H. Lytle and George Platt; that the map represents the works described in Applications Nos. 6434, 6436, and 6437, together with the location of streams and ditches in the immediate vicinity.

W.W. Cannon Surveyor.

Subscribed and sworn to before me this 6th day of January, 1923.

W.W. Cannon
Notary Public in and for Washington County, Utah.
My commission expires Jan. 16, 1925.
