

STATE OF NEVADA } ss.
 COUNTY OF ORMSBY }

I, E.H. Sweetland, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made by me on September 29, 1929; that it truly and correctly represents the proposed location and extent of the works used to divert water from Logan Shoals Creek No. 2, in Douglas County, by Chas. L. Fulstone (trustee), Thurman W. Gross, and Joseph Schneider, for irrigation and domestic purposes.

That the proposed point of diversion, the approximate location and size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be irrigated, are fully and correctly designated thereon.

E.H. Sweetland
 STATE WATER RIGHT SURVEYOR

Subscribed and sworn to before me this 25th day of November 1929.
