

Improvements consist of 240 ft. of 2 in. pipe from spring to two 8 ft. diameter wood tanks 6.5 ft in depth, at which the traveling public may obtain water.

State of Nevada } ss.
 County of Ormsby }

I, W.T. Holcomb, being first duly sworn, depose and say that the above map is a true and accurate plat of the improvements made by the State of Nevada, Department of Highways, as taken from the field notes of a survey made by me, completed on the 26th day of June 1924.

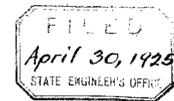

That the map was made at the instance of the State of Nevada, Department of Highways, owner of said improvements and that it truly represents the improvements of said State of Nevada Department of Highways.

W.T. Holcomb
 Surveyor

Subscribed and sworn to before me
 this 30th day of April 1925

H. Mills
