I, Frank Walker, being first duly sworn, depose and say that this map has been correctly drawn to the designated scale from the field notes of a survey made by me on the 16th day of Oct 1927; that it truly and correctly represents the location and extent of the works used to divert water from Five Mile Spring, in Lincoln County for Stockwatering purposes, by Henry Lee, and M. That the point of diversion, the location and size of the diverting pipeline, the place and manner of use and the location and names of all other works crossed by or in connection with said works, are fully and correctly designated thereon.
