I, Robert Squires, being duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale, from field notes of a survey made by me, and from data obtained from Sierra Pacific Power Company survey notes, and that the map truly represents the proposed works to divert water from an underground source in Storey County, Nevada, for industrial and domestic use by Sierra Pacific Power Company. The location of the proposed point of diversion and place of use are correctly designated hereon. Date of survey was 6/28/94. Sierra Pacific surveyor was Paul Pace, PLS 06500.
