I, JOHN H. MILTON III, being first duly sworn, depose and say that this map, consisting of two sheets, numbered from 1 to 2, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision and direction, between the 28th day of October and the 29th day of October, 1994; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground (the Rosebud Portal) in Pershing County, by HECLA MINING CO. for mineral exploration, mining, milling and domestic purposes under Amended Application Number 60270. That the point of diversion and return, the location of the mine, the approximate size and capacity of the diverting channel, and the location and names of all other works or streams which are crossed by or connected with the said works, are fully and correctly designated thereon.
