

STATE OF NEVADA SS:
COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 28th. day of May, 1994; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Pershing County by Garrett Van Diest to change the Point of Diversion and Place of Use of a portion of Permit No. 20722, Certificate No. 5861 for Irrigation and Domestic purposes. That the proposed point of diversion, the approximate size and location of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the area proposed to be irrigated, are fully and correctly shown thereon.
