

STATE OF NEVADA SS:
 COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 20th day of April, 1995, and that truly and correctly represents the proposed location and extent of the works used to divert water from Pass Creek and Big Creek in Humboldt County by Craig and Susan Moore to change the Points of Diversion, place and manner of use as noted in Court Decree No. B-29 and as shown on the map accompanying that Decree titled Plat of Irrigated Lands of Pacific Land and Livestock Co., September, 1921 for Irrigation Purposes. That the proposed point of diversion, the approximate size and location of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.
