I, Kenneth L. Haskew, being first duly sworn, depose and say that this map, consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me, or under my supervision and direction, on the 8th day of March, 1995; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in the County of Nye, the State of Nevada, by Robin and Frank Danesi, Jr. for commercial purposes. That the proposed point of diversion and return, the location of the brewery, the approximate size and capacity of the diverting conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.
