 COUNTY OF WASHOE

I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 30th. day of April, 1995; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Pershing County by Garrett Van Diest, Inc. for a change in the Manner of Use and Place of Use of a portion of Application No. 45775 from Irrigation and Domestic Purposes to Quasi Municipal Purposes. That the proposed point of diversion, the size of the diverting conduit, location of the holding tank, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing the area proposed for use, are fully and correctly designated thereon.
