

STATE OF NEVADA
 COUNTY OF CLARK

I, Richard V. Wyman, being first duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale from field notes of a survey made by me (or under my supervision) on the 11th day of August, 1995, that it truly represents the proposed location and extent of the works used to divert water from an underground source as shown, in Clark County, by E.G. Marshall Construction Co. for industrial purposes, that the proposed point of diversion and return, the true location of the plant, are fully and correctly designated thereon as of the 11th day of August, 1995.
