I, Rick P. Christian, being first duly sworn, depose and say that this map, consisting of 1 sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction completed on November 1st, 1995, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Lyon County, Nevada by Frade Ranches Incorporated. For stockwatering purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by, or connected with the said works, are fully and correctly designated thereon.

Water right surveyor #993

Subscribed and sworn to before me this 2th day
of November, 1995.
