I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 11th day of May, 1996, that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Humboldt County by Robert R. and Wendy J. Dexter to change Point of Diversion of Permit No. 24191, Certificate No. 6874 for Irrigation and Domestic purposes. That the Proposed Point of Diversion, the approximate size of the diverting channel, the names and location of all other works which will cross or connect with the proposed works, all reservoirs or basins, and the boundary of the lands proposed to be irrigated, are fully and correctly designated thereon.
