

T. 9 S., R. 62 E., MT. DIABLO MERIDIAN
LINCOLN COUNTY, NEVADA

STATE OF OREGON }
COUNTY OF MULTNOMAH } ss.

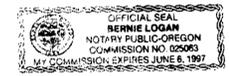

I, Michael L. Richey, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from surveying field notes and calculations made by me on the 1st day of May 1994, and other documents of record in the offices of the State Engineer and United States Fish and Wildlife Service; that this map truly and correctly represents the proposed location and extent of works used to divert water from North Maynard Spring and South Maynard Spring, in Lincoln County, Nevada, by the United States Fish and Wildlife Service, for wildlife purposes;

That the proposed points of diversion, approximate location of the natural stream channels, place and manner of use, and location names of all other works or streams which are crossed by, or connected with said works, are fully and correctly designated thereon.

Michael L. Richey
(State Water Right Surveyor) # 860

Subscribed and sworn to before me
this 13th day of November, 1996
Notary Public in and for Multnomah County, Oregon.

Bernie Logan
Notary Public
My Commission Expires 6/6/97
