Creek Easement	Trapezoid (1/2 h(a+b))	a=54, b=150 h=50	5100sf, 0.12ac
			21800sf, 0.50ac

STATE OF NEVADA S.S.
COUNTY OF WASHOE

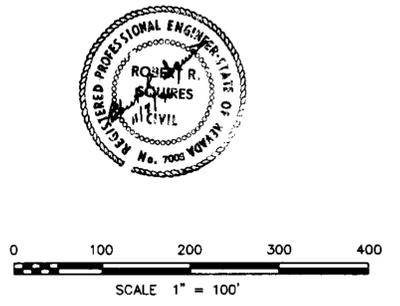

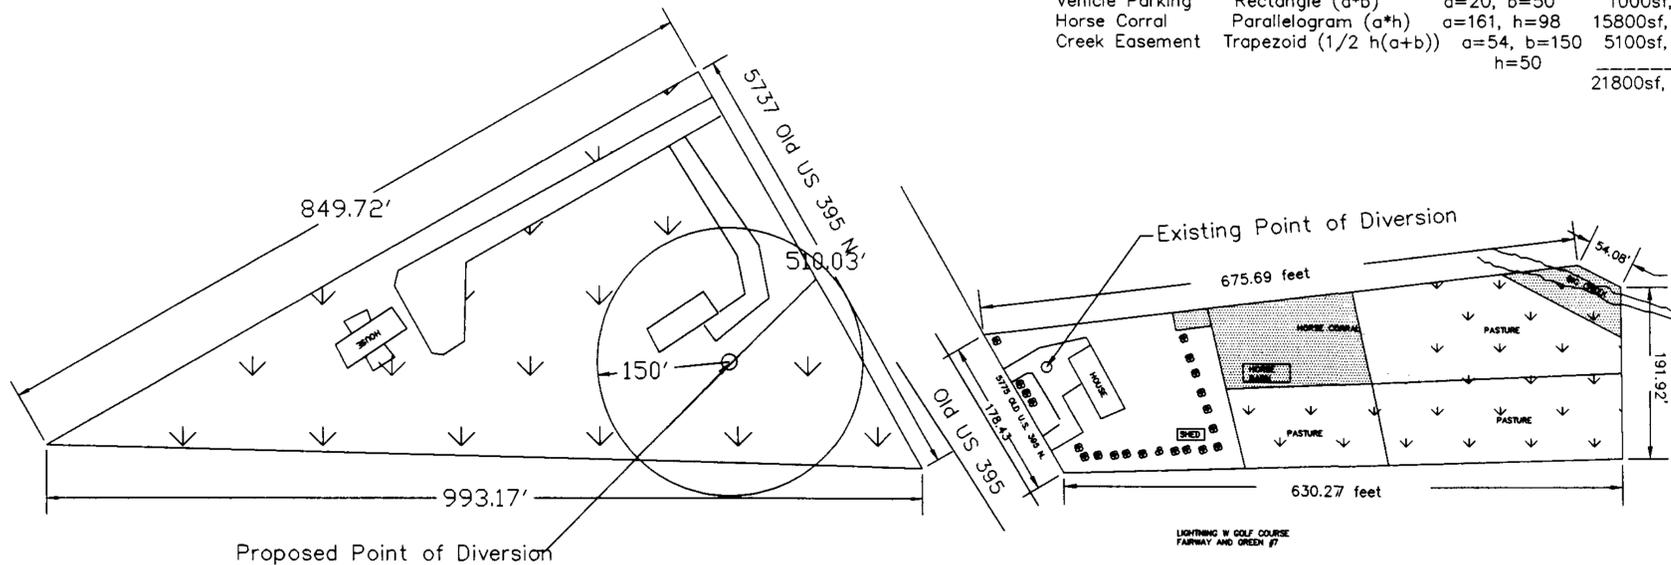

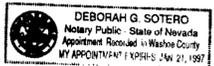

I, Robert Squires, being duly sworn, depose and say that this map consisting of one sheet has been correctly drawn to the designated scale, from data obtained from the map accompanying water right application #27284 and field notes made by myself on August 24, 1996. The map truly represents the proposed works to divert water from an underground source in Washoe County, Nevada, for landscape and supplemental irrigation use by Jim and Vicki Pittman.

The location of the proposed point of diversion and place of use are correctly designated hereon.

Robert R. Squires
Robert Squires
State Water Right Surveyor No.796

Subscribed and sworn to before me this 7th
day of November, 1996.
