

STATE OF NEVADA)
) SS.
 COUNTY OF CLARK)

I, Kenneth L. Haskew, being first duly sworn, depose and say that this map, consisting of three sheets has been correctly drawn to the designated scale from field notes of a survey made by me, or under my supervision and direction, on the 3rd and 4th days of December 1996; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in the County of Nye, the State of Nevada, by the United States Department of Energy, Nevada Operations Office, for quasi-municipal purposes. That the proposed point of diversion, the approximate location and size of the conduit, the place and manner of use, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated hereon.

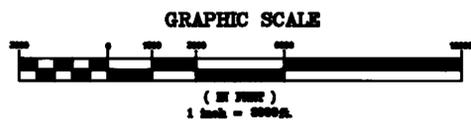

Kenneth L. Haskew

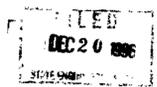

Subscribed and sworn to before me
 this 16th day of December, 1996.
Juanita M. Colvin
 Notary Public in and for Esmeralda County, Nevada
