

STATE OF NEVADA }
 COUNTY OF LYON } SS

I, Rick P. Christian, being first duly sworn, do depose and say that this map has been correctly drawn to the designated scale from field notes of a survey made under my direction on February 13, 1993, that it truly and correctly represents the extent and location of proposed works to change the point of diversion and place of use of waters heretofore appropriated under Application no. 10898 for municipal purposes by Mineral County from an underground source in Mineral County.
