I, Richard W. Forman, being first duly sworn, depose and say that this map, consisting of two sheets, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 20th day of May, 1997 and the 21st day of May, 1997; that it truly and correctly represents the proposed location and extent of the works used to divert water from underground sources, in Nye County, Nevada by the Battle Mountain Exploration Co. doing business as Battle Mountain Gold Co. for Mining-Milling & Domestic purposes. That the proposed point of diversion, the approximate location and size of the diverting channel or other conduit, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the areas proposed to be served, are fully and correctly designated thereon.

Richard W. Forman
State Water Right Surveyor No. 420

Subscribed and sworn to before me this 22nd day of May, 1997.
