

STATE OF NEVADA)
 COUNTY OF NYE)

I, Charles L. Thomsen, being first duly sworn, depose and say that site inspections have been made by me, between March 3, 1997 and March 21, 1997, that the location of each reference monument has been verified by site inspection; that the point of diversion and place of use site has been inspected; that this map, consisting of one sheet, has been correctly drawn to the designated scale from surveying calculation notes prepared by me, relying upon analysis of recorded survey maps and other recorded surveying documents in the office of the Nye County Recorder; that this map truly and correctly represents the proposed location and extent of the works used to divert water from underground, in Nye County Nevada by George Roberts for quasi-municipal purposes. That the proposed point of diversion, the place and manner of use are correctly designated thereon.

Charles L. Thomsen
 (State Water Right Surveyor)
