BASIS OF BEARINGS

The bearings for this map are based on Tract Map 2628 for Claim 65 and Parcel Map 22 for Claim 68. Electronically reproduced data from Orr Water Ditch Company Decree maps, was rotated to fit record information on the above mentioned maps.

I, George G. Lindesmith, being first duly sworn, depose and say that this map consisting of one sheet, has been correctly drawn to the designated scale from information on file in the Official Records of Washoe County, Nevada, maps prepared by the Washoe County Assessor, and information reproduced electronically from the maps of the Truckee River Adjudication Suit - United States vs. Orr Water Ditch Company, et. al., that it truly and correctly represents the extent and location of the Place of Use of water heretofore appropriated under a portion of Truckee River Claims 65 and 68 by Barker Homes, Inc. for Municipal and Domestic purposes; that the Place of Use, the location and name of all other works, and the boundary of all lands shown by 40-acre subdivisions, are fully and correctly designated thereon.
