I, Richard W. Forman, being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made under my supervision and direction between the 3rd day of October, 1997 and the 8th day of October, 1997; that it truly and correctly represents the proposed location and extent of the works used to divert water from Underground sources, in Humboldt County, Nevada by Seth Thomas Bidegary and Thomas Bidegary for Quasi-Municipal purposes. That the proposed point of diversion, the location of the business, the approximate size and capacity of the diverting channel or other conduit, the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated herein.

Richard W. Forman
State Water Right Surveyor No. 420

Subscribed and sworn to before me this 8th day of October, 1997.
