I, Ernest E. Muller, Sr., being first duly sworn, depose and say that this map, consisting of one sheet, has been correctly drawn to the designated scale from field notes of a survey made by me on the 8th day of March, 1996; that it truly and correctly represents the proposed location and extent of the works used to divert water from Clear Creek in Pershing County by Thomas W. Jones, Lucia E. Jones and Carolyn Page Fox to change the Point of Diversion and Place of Use of a portion of Proof No. 01107, Certificate No. 255 for Irrigation and Domestic Purposes. That the proposed point of diversion, the approximate size of the diverting channel, all reservoirs or basins, the location and names of all other works which will cross or connect with the proposed works, and the boundary of all lands, showing by 40-acre subdivisions the area proposed to be irrigated, are fully and correctly designated thereon.

Subscribed and sworn to before this 25th day of April, 1997.
