

STATE OF NEVADA  
COUNTY OF CLARK

I, Richard V. Wyman, being first duly sworn, depose and say that site inspections have been made by me, between December 16, 1997 and January 14, 1998; that the location of each reference monument has been verified by site inspection; that the point of diversion and place of use sites have been inspected; that this map, consisting of one sheet, has been correctly drawn to the designated scale from surveying calculation notes prepared by me, relying upon analysis of recorded survey maps and other recorded surveying documents in the office of the Nye County Recorder and State Engineer; that this map truly and correctly represents the proposed location and extent of the works used to divert water from an underground source, in Nye County, Nevada by Paulette Blake for quasi-municipal purposes. That the proposed point of diversion, the place and manner of use are correctly designated thereon.
