I Randal L. Briggs, being first duly sworn, depose and say that this map, consisting of one sheet, inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me, (or under my supervision and direction), on the 23rd day of June, 1998; that it truly and correctly represents the proposed location and extent of the works used to divert water from an underground source in Lincoln County, by Herzog Contracting Corp. for mining purposes. That the proposed point of diversion and return, the location of the mine, the approximate size and capacity of the diverting channel or other conduit, and the location and names of all other works or streams which are crossed by or connected with said works, are fully and correctly designated thereon.
