I, Richard W. Arden, being first duly sworn, depose and say that this map, consisting of 2 sheets, numbered from 1 to 2 inclusive, has been correctly drawn to the designated scale from field notes of a survey made by me or under my supervision and direction between the 6th day of March, 1998 and the 16th day of April, 1998; that it truly and correctly represents the proposed location and extent of the works used to divert water from Paiute Canyon surface water in Washoe County, Nevada by Robert W.
